The Real Estate and Housing Developers’ Association (REHDA) is proud to once again put up its renowned property exposition; MAPEX, this October. We are not only bringing one but two MAPEX this time, one is the Bumiputera Property Exposition (Bumi MAPEX), an exposition that exclusively caters for Bumiputera. This inaugural Bumi MAPEX will be taking place at Shah Alam Convention Centre (SACC), Selangor from 7 to 9 October 2016 and two weeks after, our national MAPEX will be making its second debut this year from 21 to 23 October 2016 at Mid Valley Exhibition Centre (MVEC), Kuala Lumpur.

“We are aware that the market is currently slow and that is why we are assisting buyers as well as developers by bringing together wide range of property selections with attractive promotions all under one roof via MAPEX,” said Datuk Ng Seing Liong, MAPEX Committee Chairman. Developers would have a good platform to market their products while buyers can look forward to reputable developers offering quality houses with various add-ons that meet their needs,” added Datuk Ng.

The Bumi MAPEX which is taking place in about two weeks time is part of our efforts to gather the available units for Bumiputera with attractive discounts in one exposition. Hopefully this will assist the Bumis who are still in search of their dream homes. Visit our Bumi MAPEX and you will be spoilt for choice. Amongst those who have confirmed their participation include Kota Kelang Development Sdn Bhd, Perbadanan Kemajuan Negeri Selangor (PKNS), IJM land Berhad, I&P Group Sdn Bhd, Johawaki Development Sdn Bhd and Sin Hee Yang Property Management Sdn Bhd. Besides interesting activities, our Bumi MAPEX will also feature well known property experts like Faizul Rizuan, Mohd Ali Majlis, Dr Azizul Azli Ahmad and Ahyat Ishak for the public talks session.

Meanwhile, the national MAPEX from 21 to 23 October at Mid Valley Exhibition Centre (MVEC), Kuala Lumpur will be showcasing huge property selections from more than 50 participating developers, which include Mah Sing Group Berhad, Glomac Berhad, Land & General Berhad, Aspen Vision City Sdn Bhd (Penang), Matrix Concepts Holdings Berhad (Seremban), SP Setia Berhad, Tropicana Corporation Sdn Bhd, UEM Sunrise Berhad and NAZA TTDI Group. Aside from property developers, our MAPEX is also participated by financial institutions and property related agencies such as Rumah Mampu Milik Wilayah Persekutuan (RUMAWIP) under the Ministry of Federal Territories and RUMAH SELANGORKU under the Selangor Housing and Property Board (LPHS) offering affordable housing to the public. We have also lined up interesting public talks and fun activities for the visitors.

This MAPEX is honored to have Tan Sri Haji Noh bin Omar, Minister of Urban Wellbeing, Housing and Local Government to grace the opening ceremony on 22 October 2016 (Saturday), 11.00 am at Mid Valley Exhibition Centre (MVEC), Kuala Lumpur.

“MAPEX is BY the Developers, FOR the Developers and OF the Developers. It is the longest running and biggest property exposition of the nation and developers should grab this opportunity to be part of MAPEX,” advised Datuk Ng. “We still have some choiced booths available for both MAPEXes, but they are selling out fast. So, register as soon as possible to avoid disappointment’s,” said Datuk Ng further.
