# Mapex 2016

> Two fairs offering irresistible deals, affordable housing and financial alternatives

**T**HE Real Estate and Housing Developers' Association (Rehda) will be bringing keen home buyers a host of choices at the two upcoming Malaysia Property Expo (Mapex).

## **BUMI MAPEX**

The inaugural Bumiputra Property Exposition (Bumi Mapex) will be

held from Oct 7 to 9 at the Shah Alam Convention Centre.

Bumi Mapex will feature available bumiputra properties at attractive prices. Bumiputra home seekers will be spoilt for choice with projects showcased by developers such as Kota Kelang Development Sdn Bhd, Perbadanan Kemajuan Negeri Selangor (PKNS), IJM Land

Berhad, I&P Group Sdn Bhd, Johawaki Development Sdn Bhd and Sin Hee Yang Property Management Sdn Bhd.

At the exposition, property experts Faizul Rizuan, Mohd Ali Majis, Dr Azizul Azli Ahmad and Ahyat Ishak will also deliver talks on various housing and property topics.

## **NATIONAL MAPEX**

The national Mapex will be held from Oct 21 to 23 at the Mid Valley Exhibition Centre. More than 50 developers are expected to showcase their projects.

These include properties by

Mah Sing Group Berhad, Glomac Berhad, Land & General Berhad, Aspen Vision City Sdn Bhd from

Penang, Matrix Concepts Holdings Berhad from Seremban, S P Setia Berhad, Tropicana Corporation Sdn Bhd, UEM Sunrise Berhad and Naza TTDI Group.

## **AFFORDABLE HOUSING**

Mapex has also partnered with financial institutions and property-related agencies to showcase affordable housing options via schemes such as Rumah Mampu Milik Wilayah Persekutuan under the Federal Territories Ministry and Rumah Selangorku, which is supported by the Selangor Housing and Property Board.

"We are aware the market is slow and that is why we are assisting buyers as well as developers by bringing together a wide range of property selections with attractive promotions all under one roof via Mapex," said Mapex committee chairman Datuk Ng Seing Liong.

"Developers will have a good platform to market their products while buyers can look forward to reputable developers offering quality houses with various add-ons that meet their needs," Ng added.
