***MAPEX 2017 - “GREATER CONNECTIVITY FOR BETTER AFFORDABLE LIVING”  
13 – 15 OCTOBER 2017, MID VALLEY EXHIBITION CENTRE, KUALA LUMPUR***

---

The Malaysia Property Expo (MAPEX) is set to return for this year’s second national edition on **13-15 October** at the **Mid Valley Exhibition Centre (MVEC), Kuala Lumpur**. The nation’s most largest property exposition organised by the Real Estate and Housing Developers’ Association (REHDA) will present homebuyers and property investors with some of the best property deals, advice and tips on the market as well as fun-filled activities to entertain the visitors.

“Joining us in this expo to offer quality developments are Ekovest Berhad, Gamuda Land, IJM Land Berhad, Matrix Concepts Holdings Berhad, Paramount Property (Cjaya) Sdn Bhd, S P Setia Berhad, Seri Pajam Development Sdn Bhd, Sunsuria Berhad, UDA Holdings Berhad and UEM Sunrise Berhad among others. We expect more will come forward and join us for MAPEX is widely known and recognised for its popularity,” said MAPEX 2017 Organising Chairman, Datuk Ng Seing Liong.

“Since it first started about 20 years ago, MAPEX has been well received by both developers as well as the public. *MAPEX, organised BY the developers, FOR the developers and OF the developers*, is a catalyst in moving the industry forward by bringing developers and buyers together. I am confident that with the tremendous support from developers, government agencies as well as financial institutions, MAPEX would continue to be the right platform in connecting buyers to their dream homes,” added Datuk Ng Seing Liong.

In keeping with the national excitement of the latest public transportation network, MAPEX has been aptly installed with theme ***“Greater Connectivity for Better Affordable Living”*** as we believe connectivity plays an integral part in providing conducive living. Check out the wide range of properties available for October’s 2017 MAPEX, from affordable to exclusive and luxury, strata and landed properties, some of which could be just next to the LRT/MRT stations or around the transportation hub. This one stop property expo will be a great place for house buyers to search for their dream homes and make comparison on properties that best suit their needs as well as budget, thus saving money, time and resources. House buyers at the October MAPEX will have the opportunity to win part of the RM30,000 Cash Rebate offered by the Organiser\*. Participating developers will also be offering attractive packages to the buyers,” said Datuk Ng further.

“The upcoming MAPEX will be complimented by the participation of Maybank and Hong Leong Banks to assist potential buyers regarding home loans. I urge more financial institutions to take part in MAPEX to assist the public in their purchases. Financing is most essential in house purchase and there is no other better platform than MAPEX for financial institutions to promote their products and packages to the target audience. Let us work together towards achieving the nation’s housing agenda,” added Datuk Ng.

“We are grateful for the strong support from the Government and for their continued participation in our MAPEXes all these years. For this MAPEX, we have invited various Ministries through its relevant Agencies; amongst others are the National Housing Department (JPN) and Housing and Strata Management Tribunal (TPPS) under the Ministry of Urban Wellbeing, Housing and Local Government (KPKT), the Public Sector Housing Financing Institution (LPPSA) under the Ministry of Finance (MoF),

RUMAWIP under the Ministry of Federal Territories (KWP) as well as Rumah Selangorku under the Selangor Housing and Property Board (LPHS).”
