MEDIA RELEASE

13 MARCH 2018

WISMA REHDA, PETALING JAYA

MAPEX 2018 - “#ahomeforbettertomorrow”

27 – 29 APRIL 2018, MID VALLEY EXHIBITION CENTRE, KUALA LUMPUR (10.00am-9.00pm)

The nation’s largest and most awaited property event, Malaysia Property Expo (MAPEX) will be making its first national debut this year on **27-29 April** at the **Mid Valley Exhibition Centre (MVEC), Kuala Lumpur**. Organised by the Real Estate & Housing Developers’ Association (REHDA), the exposition is expected to gather more than 60 renowned developers under one roof showcasing their best property deals available in the market.

“It has been 2 decades since REHDA organised its first property exposition, with the aim to encourage homeownership and we are committed to continue organising it. Our focus is not only in Klang Valley but throughout the nation. REHDA, working together with our Branches, has organised and will organise about 20 expositions this year and we are heartened with the tremendous supports we have been receiving not only from member developers, but also from the Government and its agencies as well as related industry players,” said Datuk Ng Seing Liong, Organising Chairman of MAPEX 2018.

“In line with our endless endeavour in promoting home ownership for the well-being of the Rakyat and the nation, I am pleased to share that MAPEX, this year, is themed with **#ahomeforbettertomorrow**. Securing a home early will ensure a better future as property investment is the safest investment that appreciates over time. On our part, REHDA will continue to organise MAPEX in playing our role to provide the right platform to potential buyers who are in search of their dream homes,” added Datuk Ng.

“As MAPEX is organised by the developers, for the developers and of the developers, I fervently hope fellow developers who are yet to decide to participate in April MAPEX 2018 to act now and contact MAPEX Secretariat to avoid disappointment as choiced booths are limited. Among developers who have confirmed joining us this time are Ecoworld Development Group Berhad, Ijm Land Berhad, Glomac Berhad, Matrix Concepts Holdings Berhad, Paramount Property (Cjaya) Sdn Bhd, Seri Pajam Development Sdn Bhd and many more. We have also invited financial institutions,” said Datuk Ng further.

“As we know, home financing is the bridge to home ownership. There are many potential buyers out there in search of information for home loan packages that suits them but they are not sure where to head to. MAPEX is just the right platform for banks to promote their products and services. Whilst many banks are currently offering various attractive home loan packages, to date, only Maybank has confirmed their participation. We urge therefore other financial institutions to come forward and join us in the April MAPEX”, added Datuk Ng.

MAPEX, a one stop property center will also be having participation from industry players such as the National Housing Department (JPN) and Housing and Strata Management Tribunal (TPPS) of the Ministry of Urban Wellbeing, Housing and Local Government (KPKT), the Public Sector Housing Financing Institution (LPPSA) under the Ministry of Finance (MoF), RUMAWIP under the Ministry of Federal Territories (KWP) as well as Rumah Selangorku under the Selangor Housing and Property Board (LPHS).

Aside from showcasing a wide range of properties of both strata and landed, the free admission expo is lined up with exciting activities which includes property talks by industry experts, blood donation

campaign, interactive activities*, popcorn & cotton candy giveaway and many more. Home buyers also have the opportunity to grab the RM30,000 cash offered for purchase made at this MAPEX. The expo is also honoured to be inviting Yang Berhormat Datuk Seri Tengku Adnan bin Mansor, Minister of the Federal Territories to grace the Opening Ceremony scheduled on Friday, 27 April at 3.30pm.
