**RE : Competent Person Identification Card (CPIC) by Energy Commission (EC)**

---

Dear Fellow Members,

Kindly be informed that in order to encourage the registration of competent persons with the Energy Commission (EC), the registration system for Competent Person Identification Card (CPIC) has been implemented and a new module for CPIC template in the Energy Commission Online System (ECOS) has also been established.

With this CPIC, members of the public, building owners, Joint Management Body (JMB) / Management Corporation (MC) and EC officers are now able to check and identify whether or not the individual undertaking the electrical work is a competent person registered with the EC.

Kindly be informed that the CPIC can now be printed via ECOS system at <http://ecos.st.gov.my>. The competent person must carry the CPIC on site at all times.

Thank you.

Yours sincerely
