

# Amendment to the Guidelines for Application of Sewerage Capital Contribution (SCC) Offset

**The** National Water Services Commission (SPAN) has amended its Guidelines for Application of Sewerage Capital Contribution (SCC) Offset. According to the amendment, developers must ensure that the Bank Guarantee (BG) and offset application are submitted to the Sewerage Certification Agency Office within fourteen (14) days from the issuance of the BG.

The guideline is effective on 1 December 2018 and can be downloaded at <https://www.span.gov.my/article/view/guidelines-for-upgrading-of-public-sewerage-system-procedure-and-application-of-sewerage-capital-contribution-scc-offset>. Members are advised to adhere to the above accordingly. Scan the QRcode for instant access to download.
